

Our Portfolio

Welcome to Triaright Solutions LLP, where innovation meets expertise across a diverse spectrum of industries. With a multifaceted approach spanning IT, non-IT domains, learning solutions, and job placements, we are committed to delivering comprehensive and tailored services to meet the evolving needs of our clients. At Triaright, we believe in empowering individuals and organizations alike through cutting-edge technologies, insightful learning experiences, and strategic employment opportunities. Join us as we pave the way towards a brighter future, where possibilities are endless and success knows no bounds.

About

Choose Wise, Choose Right - Choose TRIARIGHT

Triaright Solutions LLP is the brainchild of Lakhshya Career Engravers OPC Private Limited, established in 2018 as an extension of the visionary groundwork laid by Nandhan Academy in 2013. Our journey began with a mission to revolutionize learning methodologies, aligning them with industry demands to empower students and professionals alike. With a steadfast commitment to excellence, Triaright emerged as a beacon of innovation, offering a diverse array of solutions spanning IT, non-IT domains, learning, job placements, and management services. Rooted in the ethos of adaptability and progress, Triaright continues to lead the charge in preparing individuals for the challenges and opportunities of the modern world.

Director's Profile

Kishore Kumar began his entrepreneurial journey at 20, founding Nandhan Academy in 2013, which thrives today. In 2015, he ventured into e-commerce with Clue4deals, later concluded due to marketing challenges.

Undeterred, he established KK Entertainments in 2016, a staple in event management. In 2018, Lakhshya Career Engravers (OPC) Pvt. Ltd. was founded, offering training, development, and business solutions.

In 2019, InfoLumi Business Solutions was launched, garnering a strong client base. Kishore serves as Director at Lakhshya Career Engravers (OPC) Pvt. Ltd., managing projects across Telangana & Andhra Pradesh. In 2023 Triaright Solutions LLP is founded an Ed-Tech company.

His professional journey includes roles at Genpact and HCL Technologies as a Process Developer and System Engineer. At Amazon India, he served as a Risk Investigator from 2016 to 2018.
